If Lessee(s) re-sign a new Lease for the Premises, all deductions from this lease term's security deposit will be deducted from the portion eligible for return to the Lessee(s) that have not re-signed a new lease on the Premises. Joint and several liability shall include any and all situations, including a situation where one or more Lessee(s) have statutory grounds for opting out or cancelling their individual leasehold obligations. The Lease continues in full force and effect for remaining Lessee(s), including the total Rent due. A judgment against one Lessee shall not prevent action against the other Lessee(s). The term "Lessee" as used herein shall mean "Lessee(s)".

All invoices issued by Lessor will include additional administration fees.

19. **Noise Violations.** Any conviction for a civil infraction noise violation will result in a \$500.00 charge to the Lessee(s). Alterations are the property of the Lessor, but upon Lease expiration or earlier termination, Lessor may designate, in writing, alterations it wishes to have removed, and Lessee(s), at their expense, shall remove them promptly and repair any damage caused thereby, leaving the Premises in the same condition they were before the alteration. **NO INTERIOR OR EXTERIOR PAINTING OR ALTERATIONS MAY BE DONE TO THE PREMISES WITHOUT WRITTEN APPROVAL OF LESSOR.** Lessee(s) may not install or use additional appliances such as washers, dryers, freezers, refrigerators of any size, portable dishwashers, window air conditioners, bidets, satellite dishes, etc. No alterations may be made to the electrical or plumbing systems unless a permit has been issued by the appropriate governmental agency and Lessor has provided its prior written consent.

Lessee(s) shall not cause or permit any waste or misuse any utility fixtures or any portion of the Premises. Lessee(s) shall reimburse Lessor for all damages caused by such waste or misuse; for all permit, inspection, and certification costs, Lessor incurs because of Lessee(s) noncompliance with the Lease or applicable laws; and for all damages resulting from Lessee(s) not timely reporting the need for repair or maintenance. Lessor may invoice Lessee(s) for the cost of any repairs/replacements (other than normal wear and tear) during the term of this Lease. The amount of such invoices is deemed unpaid rent and shall be due within ten (10) days of receipt of an invoice from Lessor. Tenants shall pay and be liable to Lessor and/or Lessor's insurer (in contract and/or tort) for the repair of all damage to, and/or replacement of, the Premises and structure of which they are a part, including fire and flood damage and all lost rents therefrom, in any way caused or made necessary by Lessee(s), their guests, invitees, licensees, or agents. Nothing in this clause waives or lessens Lessor's obligation to maintain and repair the Premises under Michigan law, but Landlord is not so liable when it has not been informed of the need to repair. Lessor's reasonable exercise of any right or obligation hereunder never shall be deemed an eviction of Lessee(s) or interference with their use and possession of the Premises, and Lessor shall have no liability to Lessee(s) because of Lessor's actions in reasonably fulfilling its obligations hereunder. Lessor, at its option, may, upon discovery of damage to the premise, make such repairs as are necessary to restore the Premises to their original condition, and Lessee(s) shall reimburse Lessor for the total cost of any such repairs for which Lessee is responsible hereunder.

Lessee(s) shall be responsible for all utilities during this period. If Lessor indicates on Lessors website, www.hrrentals.com, that the Premises has been completed, and the first rental period installment has been paid in full, Lessee(s) may move in prior to the start of the Lease. If Lessee(s) are not satisfied with the condition of the Premises, all keys must be returned to Lessor the same day they were received, and no items may be placed in the Premises. Touch up cleaning deemed appropriate by Lessor will be completed at Lessor's convenience prior to the official start of the lease.
 37. **No Holding Over.** Lessee(s) shall vacate the Premises on or before the expiration date of the Lease.
 38. No part of the Premises will be painted, cleaned, or have carpets steam cleaned by Lessor and no reimbursement will be given where (1) or more Lessee(s) have re-signed. Lease shall be binding upon all Lessee(s) during any early occupancy.

 41. **Agency Disclosure.** Before you disclose confidential information to a real estate licensee regarding a real estate transaction, you should understand what type of agency relationship you have with that licensee. Michigan law requires real estate licensees who are acting as agents of sellers (Lessor/Owner) or buyers (Tenants/Lessee(s)) of real property to advise the potential sellers (lessor/owners) or buyers (tenant/lessee(s)) with whom they work of the nature of their agency relationship. The undersigned hereby disclose that the agency status I/we have with the Lessor/Owner and/or the Tenant/Lessee is: Lessor/Owner Agency. A Lessor's/owner's agent acts solely on behalf of the Lessor/Owner of the Premises. An owner can authorize a Lessor's/Owner's agent to work with subagents, tenant or Lessee(s) agents and/or transaction coordinators. A subagent is one who has agreed to work with the Lessors/Owners agent, and who, like the Lessors/Owners agent, acts solely on behalf of the Lessor/Owner.

Lessors/owner's agents and subagents will disclose to the Lessor/Owner all known information about the Tenant/Lessee which may be used to the benefit of the Lessor/Owner. Lessee(s) confirm that they have read the information regarding agency disclosure and that this information was provided before the disclosure of any confidential information specific to the potential Owner/Lessor or Tenant/Lessee.

NOTICE: MICHIGAN LAW ESTABLISHED RIGHTS AND OBLIGATIONS FOR PARTIES TO RENTAL AGREEMENTS. THIS AGREEMENT IS REQUIRED TO COMPLY WITH THE TRUTH IN RENTING ACT. IF YOU HAVE A QUESTION ABOUT THE INTERPRETATION OR LEGALITY OF A PROVISION OF THIS AGREEMENT, YOU MAY WANT TO SEEK ASSISTANCE FROM LAWYER OR OTHER QUALIFIED PERSON.

42. Lessee(s) acknowledge receipt of: Lease, Inventory Checklist (2), East Lansing Lease Addendum, Lead Based Paint Disclosure Form, "Protect Your Family from Lead in Your Home" pamphlet, Move-In letter, and parking plan.
43. **Hold Harmless.** Lessee(s) agree for themselves, their heirs, and personal representatives to hold Lessor harmless from all damages, including damages to the Premises and structure of which they are a part; all lost rents for the Premises and structure of which they are a part; and all liability that results from their negligent or illegal use of the Premises and from their intentional misuse of them, including common areas of any apartment building. When claims against Lessor's insurance are paid because of acts or omissions of Lessee(s) or (Lessee(s) visitors, guests, or invitees, Lessee(s) will reimburse Lessor for any insurance deductible it pays.
44. **Waiver.** Lessor's nonenforcement of a provision of this Lease on one (1) or more occasions is not a continuing waiver of Lessor's right to enforce the provision, and its consent to an act of Lessee(s) on one (1) or more occasions (where consent is required) is not a continuing consent to any subsequent similar act by Lessee(s). No breach is waived by Lessor unless waived in writing.
45. **Use and Quiet Enjoyment.** Lessee(s) shall comply with all applicable laws and ordinances; use the Premises for only strictly residential purposes; and refrain from all conduct that unreasonably disturbs each other, other tenants, occupants, neighbors of the Premises, or Lessor. No business of any sort shall be located in or conducted from the Premises without Lessors prior written consent. Lessee(s) are entitled to quiet enjoyment of the Premises throughout this Lease so long as they comply with this Lease.
46. **Untenantability.** If the Premises become wholly untenantable because of fire or other casualty, Lessor may terminate this Lease by written notice to Lessee(s), and Lessee(s) shall surrender the Premises to Lessor. If for the same reasons the Premises become partially untenantable, or wholly untenantable without Lessor's terminating the Lease, Lessor shall repair the Premises with reasonable speed, from the date of the casualty, until repairs are substantially completed, Rent shall abate in the same percentage that the Premises are untenantable, unless the untenantability is caused by negligence or intentional misconduct of Lessee(s), their family, occupants, employees, guests, invitees, agents, or anyone on the Premises by reason of association with any of them, in which case rent shall not abate. Lessor is not liable for failure to repair until Lessee(s) notify Lessor of the need for repair and a reasonable time to make repairs has passed thereafter. For purposes of Lessor's right to terminate this Lease, Premises are "wholly untenantable" if fifty (50%) percent or more of Premises are untenantable.
47. **Default.** Lessee(s) failure to perform any of Lessee(s) obligations under the terms and conditions of this Lease, including the failure to move in and occupy the Premises, shall constitute a default. Lessee(s) failure to pay any installment of rent when due shall constitute a default and Lessee(s) will forfeit applicable rent discounts pursuant to paragraph 1. If default occurs, Lessor may, at its option, terminate this Lease and regain possession of the Premises in accordance with applicable law. If Lessee(s) shall be absent from the Premises for a period of five consecutive days while in default, Lessee(s) shall, at Lessor's option, be deemed to have abandoned, the Premises. Recovery of the Premises by Lessor shall not relieve Lessee(s) of any obligation under this Lease, and upon default, Lessor shall be permitted to accelerate the rent due throughout the Term of this Lease and demand immediate payment thereof, provided, however, that Lessee may not be liable for the total accelerated amount of rent due because of Lessor's obligation to mitigate damages through attempted re-renting of the Premises. Lessee(s) agrees that acceptance of partial rent payments by Lessor after notice of termination or forfeiture will not constitute waiver of the notice of termination or forfeiture unless Lessor agrees to a waiver in writing, nor will such payment affect any legal proceedings taken or to be taken by Lessor except to reduce Lessee(s) obligation to determine the actual amount due and owing the other. If Lessee(s) fail to pay any amount due or fail to perform any obligation required by this Lease, Lessor may pay such amount or perform such obligation; such money or the charge for such service

shall be deemed to be additional rent. Lessor, at its option, may demand immediate payment thereof, or may elect to carry such amount, plus any administration fees charged by Lessor, and deduct it from the security deposit. The parties irrevocably agree that any action based on or arising out of this Lease may be brought in any state or federal court that is located in, or whose district includes, the city where the Premises is located, and that such court shall have personal jurisdiction over Lessee(s) for purposes of that action.

48. **Entire Agreement.** This Lease and the Exhibits and Addendums, if any, attached hereto and forming a part hereof, set forth all the covenants, promises, agreements, conditions and understandings between Lessor and Lessee(s) concerning the Premises and there are no covenants, promises, agreements, conditions or understandings either oral or written, between Lessor and Lessee(s) other than those which are herein and set forth. Except as herein otherwise provided, no subsequent alteration, amendment, change or addition to this Lease shall be binding upon Lessor and Lessee(s) unless reduced to writing and signed by Lessor and Lessee(s).
49. **Moisture/Mildew.** When moisture is present, mold can grow. The best way to avoid problems related to mold is to prevent moisture buildup in the Property. This is particularly important in certain more humid climates and during those times of the year when outdoor temperatures and humidity levels are high. Because mold occurs naturally and can grow almost anywhere, Lessor cannot guarantee Lessee that the Property is, or ever will be, a “mold-free environment”. There are many things a Lessee can and should do to reduce the possibility of mold growth, including the following: To the extent possible, keep windows and doors closed in damp or rainy weather conditions to avoid moisture entering the Property. Maintain a general temperature of 68 to 73 degrees Fahrenheit in the winter and 72 to 76 degrees Fahrenheit in the summer. Do not block/cover heating/ventilation/air conditioning grilles and/or thermostats with furniture, wall hangings, etc. Wipe down/dry countertops, windows, windowsills, and air conditioning grilles when moisture condenses on these surfaces. Do not over-water houseplants and clean up spills immediately. All potted plants must have a secondary container under the primary container to collect water. Use the exhaust fan when bathing/showering and keep the shower curtain inside the tub/shower and/or fully close the shower door (if applicable). When finished bathing/showering leave the bathroom door open and allow the exhaust fan to run until all moisture has evaporated. You may need to manually dry surfaces as well. Hang up towels and bathmats to dry. Dry any excess moisture on bath/shower and fixtures. Regular cleaning and drying of the walls around the bathtub/shower using household cleaner is recommended. Use kitchen exhaust fan when cooking on the stovetop, particularly when boiling water or other liquids. Dry any condensation that gathers in the laundry closet. Use the dryer to dry laundry. Use drying racks in well-ventilated areas and, if possible, use a fan to circulate the air. Ensure the dryer vent is properly connected and clear of any obstructions. Clean the dryer lint filter after every use. Lessees with rooms partially or fully below grade must provide adequate ventilation and air circulation around beds, dressers, and other items in those rooms. In addition, Lessees acknowledges by placing a bed directly on the floor and/or against the wall within these rooms they are creating an environment that could result in mold growth. Lessees acknowledge and agree that if Lessees fail to take steps necessary to prevent or reduce moisture from building up in the Property or fail to maintain the Property in a clean condition, Lessees will be creating an environment that could result in mold growth. Lessees agree to notify Lessor immediately of any sign of water leak, excessive or persistent moisture or any condensation sources in the Property or in any storage room or accessory structure leased to Lessees, any stains, discoloration, mold growth or musty odor in any such areas, any malfunction of the heating or cooling system, or any cracked/broken windows. Lessees acknowledge and agrees that Lessor will not be responsible for damages or losses due to mold growth to the extent such conditions have resulted from the acts or omissions of Lessee/Lessee guests, or if Lessee has failed to immediately notify Lessor of any of the conditions described in the addendum, and Lessees will reimburse Lessor for any damage to the Property resulting from Lessee/Lessee guests acts or omissions or from Lessees failure to notify Lessor of such conditions. Lessees agree to cooperate fully with Lessor in Lessors efforts to investigate and correct any conditions that could result in, or have resulted in, mold growth, including, without limitation, upon Lessors request, vacating the Property for such time necessary to allow for investigation and corrective action deemed necessary by Lessor.
50. **FIRE ALARM/EXTINGUISHER/SPRINKLER SYSTEMS.** Lessee agrees that Lessee shall not cause or permit any damage to or misuse of the fire alarm, sprinkler system or fire extinguisher(s) (if applicable). Lessee shall be responsible for payment of all costs and expenses for repairs related to the fire alarm, sprinkler system and fire extinguisher(s), including monitoring fees, inspection fees, maintenance costs and clean up related to discharge; except in the case of Lessor’s failure to perform or negligent performance of a duty imposed by law. All maintenance and repair work shall be performed by a licensed alarm/sprinkler system contractor of Lessors choice, and at Lessors sole direction. Lessee shall pay all charges assessed and/or billed by any governmental agency for each and every

activation of the fire alarm, extinguisher or sprinkler not related to an actual fire emergency, regardless of whether the alarm, extinguisher or sprinkler was activated intentionally, negligently or otherwise. Lessee also agrees to pay Lessor a minimum fee of \$150.00 for each false alarm. Lessor may pay such charges and such charges shall be immediately due and payable to Lessor as additional rent.

51. **Over Occupancy/Illegal Use of Space.** Only legally habitable rooms may be used for sleeping. Lessor will not condone over occupancy or illegal use of space. Any indication of such use will prompt a complaint letter to the City of East Lansing. Fines of \$1,000 per day may be assessed by the City of East Lansing against each Lessee for each day a violation occurs. The Premises is currently licensed for _____ unrelated persons or a family.
52. **Other provisions.**

I/We have read and understand the entire Lease and voluntarily agree to all its terms and conditions as of the Effective Date.
